Message series: “Serve”

Matthew 21:28-32 (The Message)

October 28, 2018

1) Children get used to being asked by _____ to do things that benefit the household. That doesn’t mean they like doing what’s asked of them.

2) Willing _____ don’t always appear immediately, especially when parents (and God) asks us to do some hard work. Sometimes our own wishes and wants take up all our hearts’ room.

3) God allows our hearts to be _____ in time. God understands what it means for us to choose of our own free will what we will and won’t do for the benefit of God’s household.

4) Jesus knows that not everyone will _____ his teachings or his call to service, even within his family of faith. Sometimes brothers and sisters just don’t see eye-to-eye with Jesus.

5) Jesus challenges us today to _____ our hearts and recognize where we have accepted him and where we’ve rejected him.
