This was the first meeting of a new Stewardship Team, a sub-unction of Cornerstone's Finance Committee that has been asked to plan and develop Stewardship Moments for our church. Stewardship Moments are defined as productions such as PowerPoint slides or short videos that can be show at church services to highlight the good works of the church in a manner that will elicit engagement and support.

The team introduced themselves to each other.

Dr. Mike asked the team members to define Stewardship in their own terms. Among the definitions:

- "Being the Hands and Feet of Christ"
- "Bringing people in"
- "Expanding participation"
- "Adding youth and addressing needs / wants"

The team was asked to suggest a theme for the 2019 Stewardship Campaign. Two were suggested:

- "Moving Forward"
- "Seven Day a Week Church"

The latter was informally adopted as a working theme.

The team was asked to brainstorm those Cornerstone Ministries that might be highlighted in the first six months of the campaign. Among the suggestions were:

- Funeral Meals
- Kids Jam
- Quilters
- Visitation
- Missions
- Twin Oaks
- PET Project

Dr. Mike noted that Cornerstone is planning on having a Dave Ramsey course on "Financial Peace".

The team agreed to meet again on ~~Tuesday, October 30<sup>th</sup>~~ Monday, November 5<sup>th</sup> at 7 PM.
