

Cornerstone UMC  
Stewardship Team  
Meeting Minutes – November 5, 2018

Attendance: Janett & Colin Foster, Alan Freeman, Pat Moore, Karen Potts, Mike Gillen, Bruce Willson

The meeting was opened with a prayer from Dr. Mike.

Old Business: The team returned to its discussion of the previous meeting and defining meaning of Stewardship and the focus of the team. It was generally agreed that the team should focus on how lives are being changed through Cornerstone ministries. The theme of the team activities will be “our Seven Day a Week Church”.

New Business: The Team brainstormed various Cornerstone ministries that could be highlighted by the team. It was decided to focus on two particular ministries for the first two months of 2019, Operation Backpack and the Shoeman Water Project. Pat Ward volunteered to research Operation Backpack and Karen Potts the Shoeman Water Project. They will report next meeting about the findings so that the Team could decide to move forward to produce highlights.

Team members were encouraged to consider other ministries that would be of personal interest for future highlights.

The team has determined to focus on one ministry each month with PowerPoint slides that will be produced by the team and short videos in coordination with Cornerstones Video Production Team.

The team reviewed examples of PowerPoint slides produce for the Generosity Campaign two years ago.

Bruce will report on the Video Production team at the next meeting. All members of the Stewardship Team were invited to attend the Video Production Team’s initial meeting on November 8<sup>th</sup> at 6 PM.

The Stewardship Team will consider renaming itself at future meetings.

The next meeting will be held on Monday, November 26<sup>th</sup> at 7 PM.

The meeting was closed by a prayer from Dr. Mike.
