

Today’s message: “Following Christ”

Message series: “Beginning Again”

Luke 3:15-17, 21-22

January 13, 2019

- 1) God brings someone to \_\_\_\_\_ us to Christ.
- 2) These introductions are one way God’s \_\_\_\_\_ gets involved in our lives before we recognize it.
- 3) We are \_\_\_\_\_ from the inside out as we follow Christ. This life-change is a life-long process that requires us to become more and more devoted to serving God.
- 4) \_\_\_\_\_ is a way for the church to reflect we are Christ’s followers, a family of faith that forms a community of belief. The sacrament of baptism identifies those who are committing to Christ’s way of life.
- 5) As we commit to Christ’s way of life, we are expected to \_\_\_\_\_ better by faith.

“How can we live better by faith in Jesus Christ?”

- 1. Seek baptism or renew your baptismal vows.
- 2. Begin each this week in prayer with the question, “Lord, how can I behave the way you want me to? How can I make you proud of me?”
- 3. As the Holy Spirit to give you the will to intentionally serve God and others every day this week.
